

END OF YEAR REPORT

SO FAR, SO GOOD

The corporate affairs commission of the Federal Republic of Nigeria's certificate of incorporation No. 260406 issued on the 28th day of April, 2009 gave life and legality to the operations of the Christian Awareness initiative of Nigeria (CHAIN).

Proper operation of the CHAIN took off in earnest in August 2009 with the formal opening of its office at 31 King Hassan Lane, Makarfi Estate in Narayi High Cost, Kaduna. The direction and modus operandi of our operations as listed on our website is generally to create Awareness within the Christian Community and stand for one another in times of needs and persecution.

Our core values of honesty, Integrity, humanitarianism, nationalism and the fear of God are dear references to us that we put them first in all we do.

We have been able to achieve some moderate successes within the four (4) months of our operation and this gives us immense hope that God's willing and doing, greater successes will be achieved by 2010. Worthy of mentioning is our partnership with the International Christian Concern. A United States of America based organization that gives succour to persecuted Christians world wide. They provided help to our brothers and sisters in Maiduguri, Borno State, after the Boko Haram mayhem of August 2009.

Our Mission and Vision is greatly driven by the combination of our Chief Executive Officer (CEO) the amiable Rev. Joseph John Hayab and Donors. They jointly sustain our operational focus and make sure that the organization does not derail from its setout aims and objectives.

The Organization was able to execute some of its awareness programmes by the entertainment strategy in three (3) locations that hosted four events:-

- a. Kabala West - 06/09/09
- b. Narayi - 04/10/09

c. Sabon Tasha (2) 29/11/09

By the strategies of empowerment and aids, we were able to impact our presence in Six (6) areas:-

- a. Youths' Economic Empowerment programme - 25/08/09
- b. CHAIN in Health programme - 03/10/09
- c. CHAIN in Care for Widows/Orphans programme - 18/12/09
- d. CHAIN/ICC for the persecuted in Maiduguri - 12/08/09
- e. CHAIN/ICC for the persecuted in Maiduguri - 05/11/09

To the glory of God and appreciation to our Donors, the organization was able to buy and launched some of its operational equipment and also launched its website on the 26th of October, 2009.

On the overall, we make bold to say that some of our organizational aims and objectives were achieved within the sphere of the resources available in the four months of our operation starting from August to December, 2009. To God be the Glory.

May we use this opportunity to appeal to other Christians with the means, to please be part of this great vision of trying to entrench awareness within the body of Christ and the community at large. Partaking in this venture may not necessarily be in cash only but also in materials and kind.

We once again thank the international Christian Concern (ICC) for their immense concern for the persecuted Christians world wide and in Nigeria in particular. They made our trips/donations to Maiduguri possible and are availing to the world, the true position of what happened in Maiduguri. We value our partnership.

We say a big Thank You to other donors that we shall in due course appreciate them openly. We are already seeing the fruits of our labouring in the Lord's vineyard as co-labourers.

WISHING YOU A MERRY CHRISTMAS AND A PROSPEROUS NEW YEAR
