

UPDATE ON KAZAURE CRISIS

A tractor driver who was stopped by a traffic police and refused to stop was pursued and beaten up by the police to the point of been taken to the hospital, He later died at 8pm on 21st Feb. On hearing of his death angry Muslim mobs went on rampage and burnt down seven Churches. Why should a dispute between a Muslim policeman and a Muslim tractor driver lead to destruction and burning down of Churches and Christian business shop? CHAIN local source said there had been tension in Kazaure ever after the Jos crisis and that the people were just waiting for opportunity to attack the Christians. The Emir of kazaure, the police authorities and Govt. of Jigawa State in Northwest Nigeria have condemned the ugly incidence.

Churches burnt includes the followings,

1. Deeper Life Bible Church.
2. Catholic church
3. Apostolic Church
4. ECWA Church.
5. Redeem Christian Church
6. Anglican Church
7. Word of faith
8. Assemblies of God Church

We appeal for prayers for Christians in kazaure and other neighbouring communities.
